## Join Us On The Journey

God is moving in our lives in a way we would never have imagined. Some aspects are a blessing while others are a heartache. Trusting Him through it all is where faith is tested and deepened. See Page 2

*“What can 90 seconds in God’s presence accomplish?”*

Think about it ... in 90 seconds the force of an earthquake can level a city. In 90 seconds the power of a rocket can hurl a shuttle crew into outer space. Imagine what the power of almighty God can do in your life and the lives of others in 90 seconds.

Understanding the strategic role of prayer, “Tracy and Debra” host a daily 90-second radio and social media prayer program called *PrayerLife*. Each day *PrayerLife* invites listeners into God’s transforming presence for 90 seconds. The *PrayerLife* vision is that individual prayer partners will increasingly become more comfortable and passionate with their personal prayer life, and that spiritual awakening will be fueled in response to the prayers of a growing prayer network. In time, by God’s grace, thousands of *PrayerLife* participants will be praying daily for their families, churches, communities and for spiritual awakening. Imagine the possibilities!

### *A Season of Transition*

- On Wednesday, March 29, we said a grateful good-bye to our home in Castaic CA. ... a remarkable blessing, full of precious memories.
- We have begun our sojourn, trusting God for each new step. Please pray for the wisdom and sensitivity to discern His voice each day.
- We are finding refreshment with dear friends in Independence CA. Our next destination (mid April) will be Colorado Springs CO for a season with our daughter, Sarah, her husband, Evan, and our three delightful Colorado “Grands”.

Please pray for us regarding the above key areas and for fruitful ministry in each community we visit.

We invite you to visit our website [TracyandDebra.com](https://TracyandDebra.com) to discover more of our vision, our journey, and the resources we offer to help disciples, leaders, and churches thrive in their walk with Jesus.

With an estimated weekly come audience of over 300,000 listeners, WAVA is one of the largest Christian Teaching/Talk radio stations in the nation.

Your partnership with the ministry of "Tracy and Debra" makes strategic ministries like PrayerLife possible. Thank you for your kind and generous support. 

I value ministries that love the local church and effectively energize Christians toward expanding God's Kingdom here on earth. With the passion of the apostle Paul, Tracy and Debra Weaver are being used of God to equip and unite the Body of Christ for this very purpose. Multiple Pastors and Christian leaders in our community would affirm that our city has been enriched and blessed through their vision and leadership.

## Join Us On The Journey

Collins' Dictionary defines "Base Camp" as "An encampment that serves as a staging area for a larger activity." At the beginning of this new season of our lives God has literally brought us to a Base Camp – The Mt. Williamson Motel and Base Camp in Independence CA – as a staging area for our hearts to prepare us for what God has planned ahead. The above photo is not a stock photo from Google, it was taken this morning outside our room!

Join us on the journey! As we share the challenges and victories of being "all in" with Jesus, we hope you will be encouraged and strengthened in your own unique journey with Him. Follow us at TracyandDebra.com.

See you on the trail !
