

Life

With Tracy and Debra

Our desire is to help people thrive in their relationship with Jesus. As a veteran ministry couple in the Body of Christ, we believe God is guiding us to serve Him side by side in order to advance the gospel and strengthen the spiritual vitality and visible unity of His Church.

*“Sometimes
you just have to
get two scoops”*

We have driven the I-15 to I-70 route from SoCal to Colorado Springs many times. It's a long drive (17 hours) but the beauty and vistas are amazing. About 30 minutes before you transition from the I-15 to the I-70 is the community of Beaver, Utah. If you ever drive through Beaver you have to visit one of our favorite stops along the way, The Creamery. The Creamery has some of the best tasting ice cream EVER! We always consider stopping at the Creamery to be a special occasion so we get two scoops of our favorite flavors.

Life is like that ... sometimes you just have to get two scoops! We are living a “two scoop” season of our lives right now and loving it! A simple statement of our life mission is that we help people thrive in their relationship with Jesus. We are living that out in two ways.

When you pray ...

A Summer of Possibilities

- Ask God to grant us favor as we meet pastors and leaders up and down the HWY 395 corridor near Independence, California.
- Pray for our wisdom and discernment as we seek to serve and guide a small and strategic church family – Sierra Baptist Church.
- Pray for a synergistic impact as we invest in our new community and continue to serve and develop the ministry of Tracy and Debra.
- Pray for sustained health and vitality as we both improve our diet and exercise rhythms.

Thank you for praying for us!

We are all witnessing an unprecedented era in our nation's history. Regardless of political party or policy convictions we need to be Kingdom citizens who model love, wisdom, grace and truth in our social media posts and our personal conversations. We invite you to pray daily for the USA.

"Two Scoops" Continued

First, the ministry of **Tracy and Debra** seeks creative ways to inspire the broader Body of Christ to thrive. Through speaking, writing, podcasting, mentoring, consulting and collaboration, we seek to help others come to know Jesus and grow in their relationship with him. We love ministering side by side as a ministry couple, allowing our unique mix of spiritual gifts to have their maximum impact.

One of Debra's current projects is a children's book centered on the unique role of "rocks" in the Bible. Think of it - the stone tablets the Ten Commandments were written on, David's five smooth stones, the stone that sealed Christ's tomb ... each rock has a story to tell. When Jesus rode into Jerusalem on a donkey, the people cheered the triumphal entry of the King. The Pharisees told Jesus to rebuke his followers but Jesus responded, "I tell you, if these were silent, the very **stones** would cry out." Honestly, I can't wait for her to complete this project. Kids, parents, and grandparents are going to love this book.

The second "scoop" of life we are enjoying is the opportunity to shepherd a dear gathering of believers in a rural community setting. Sierra Baptist Church (A member of the Pacific Church Network) is a small church with a large vision. Located in Independence, California (Pop. 800) on historic HWY 395, which runs along the eastern base of the Sierra Nevada Mountains, SBC desires to see God move profoundly in our community and up and down the 395 corridor.

The challenges are real, the opportunities are many, and there is a sense of urgency. We know we are where God wants us to be and we thank him for the two scoops he has placed in our life. 

"Few people understand the pressures and privileges of pastoral ministry like other pastors."
